Special rule

The Architect is crazy! They keep changing the number of stars on their Reviews! Whenever they give you a Review, take the card with the number of stars corresponding to the current round and place it with the requested side up.

Architect

No emblems! Um... wait, yes!

* During the game, whenever you place an emblem type **that is not already present** in your Manor, take a negative Review card according to the Special Rule...

*... And, whenever you place an emblem type **that is already present** in your manor, take a positive Review card according to the Special Rule.

Decorator

Groups of exactly 3 Reviews

During the Inauguration, count the number of groups of **exactly** 3 Reviews in your Manor and take the corresponding Review cards.

To form a group, Reviews must be connected to one another. If a group contains more or less than 3 connected Reviews, it does not count.

Example of a group of 3 Reviews

For each group of exactly 3 Reviews, take this Review card.
