Bag building - Push your luck

Gérald Cattiaux  
Seppyo

+ A simple and fun approach to deck building

+ Excellent replayability with 3 game configurations offered and the possibility of creating your own

## Game description

The weather is perfect for a walk to the big lake, with the hope of spotting a deer along the way. Your walk is made up of tiles drawn from your bag and placed in front of you. Choose carefully which ones you add to your bag to have the best chance of scoring points. But keep an eye on the weather forecast to get back to the refuge before the storm hits!

*ColorADD is a universal, inclusive and non-discriminative language that enables the colorblind to identify colors.*
