

# THE SECRETS OF WARDEN KEENE

Déduction – Coopération – Narrative

Paolo Mori & Silvano Sorrentino  
Florian Belmonte

- + 11 mysteries, about 20 minutes each
- + A mysterious but not sinister atmosphere!
- + No victory points, only count the pleasure of deduction and the curiosity to learn more about the cemetery's inhabitants.

## Game description

1925. A cemetery on a hill in Illinois.

Solve together the 11 mysteries of the former inhabitants using the epitaphs inscribed on their headstones.

Do not expect any point or victory. Just let yourself be carried away by the pleasure of solving puzzles and discovering their past life. When you need a little help, read the reasoning step by step until you find the element you were missing.

## Contents
