

# END OF ROUND

WHEN A PLAYER REACHES 7 POINTS,  
THEY CAN END THE ROUND.

▶ If they say **STOP**, all players score the points on their cards.

▶ If they say **LAST CHANCE**, the other players each take a final turn, reveal their cards and count their points.

▶ **Bet won!** Their score is higher or equal to that of their opponents.

- They score the points of their cards + the color bonus.
- Their opponents only score their color bonus.

▶ **Bet lost!** Their score is less than that of an opponent.

- They only score the color bonus.
- Their opponents score the points of their cards.
