NOAH

Trick-taking - Black Jack - Card playing

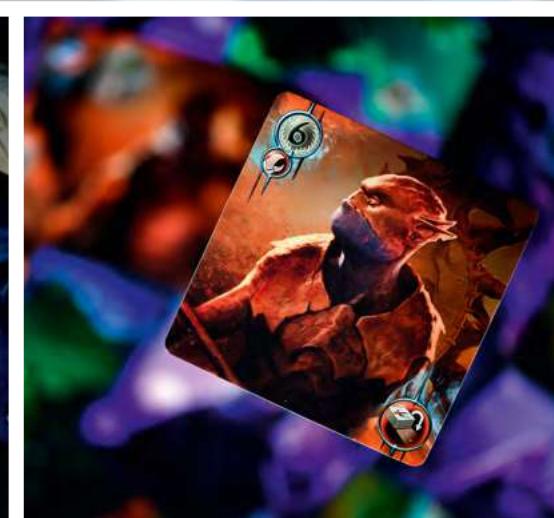

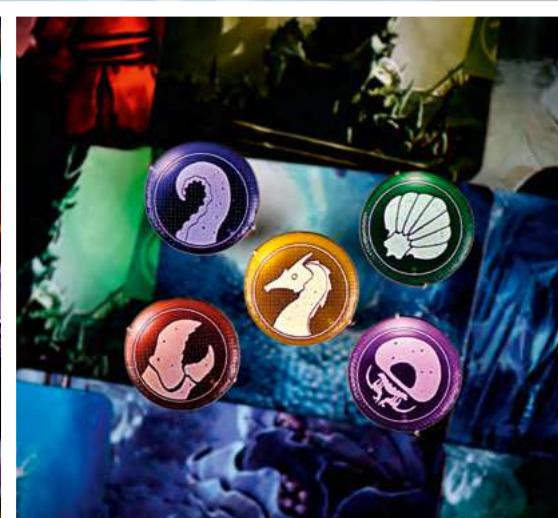

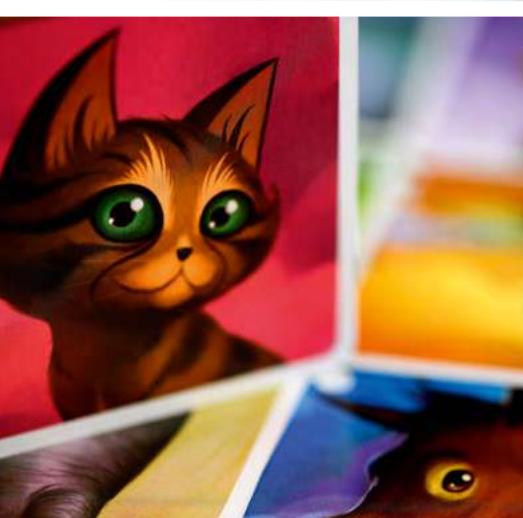

The flood has started. It's time to get the animals on board the arks. But they can only hold so much weight before capsizing, and the gender of the animals needs to be taken into account. The goal is to save as many animals as possible.

Game designers: B. Cathala & L. Maublanc.

Artwork: Xavier Collette.

Content: 56 cards, 6 tokens, 1 board.

**CONSPIRACY****ABYSS UNIVERSE**

Set collection - Combinations - Optimization

Recruit Lords to compose your Senatorial Chamber and establish power over the Assembly. Will you favor the most influential Lords? Those who will help you take control of Locations? Or will you choose those who offer you precious Pearls? Either way, place these Lords wisely, because their position in the hemicycle will have consequences...
